FALON BALLARD – Translation/UK: Putnam. Film: Mary Pender/UTA

“[A] quirky, heartwarming contemporary romance. . . Ballard’s snappy prose and unconventional couple charm, and she gets some good chuckles out of skewering the New York City real estate market. Meanwhile, stellar supporting characters (especially Sadie’s besties Gemma, Nick, and Harley) provide a solid underpinning to this enjoyable tale. This is a treat.” -***Publishers Weekly***

“The romantic beats and the slow-burning attraction between [Sadie and Jack] are things to savor. . . Ballard sweetly explores the ways they complement one another and also how they hope to reinvent themselves following catastrophic personal changes.”-***Kirkus Reviews***

“Ballard's debut novel, a fantastic read for fans of *The Flatshare* (2019), is a sharply funny roommates-to-lovers, opposites-attract rom-com...With profound sensitivity, Ballard shows how therapy and each other's company help Jack deal with his grief and Sadie with her low self-esteem and negative self-image.”-***Booklist***

“This charming story of new beginnings and emotional growth has a sassy and likable narrator in Sadie, and the novel keeps a light tone despite touching on difficult subjects like toxic families and grief. . . Readers who enjoy female entrepreneurs, found family, and gentle romantic leads will enjoy.” - ***Library Journal***

“[A] fun and light read. . . Ballard intersperses the book with text conversations (emojis and all) between Sadie and Jack, as well as her group conversation with her friends, that make readers feel like they're really part of the story. When Sadie and Jack's feelings for one another are finally realized, you can't help but celebrate alongside the characters.” – ***USA TODAY***

Laugh-out-loud banter, smart characters, and heartfelt charm. . . this rom-com has it all!” – ***Woman's World***

“A hopeful, heartwarming debut. With a relatable disaster of a protagonist and an adorably nerdy hero, this opposites-attract, roommates-to-lovers romance is a true delight.” –**Rachel Lynn Solomon, author of *The Ex Talk***

“Sadie is a firecracker of a protagonist who’s very aware of her flaws, and Jack is her perfect counterpart, embracing all of her rough edges with softness and understanding. *Lease on Love* warmly and wittily underscores that none of us are perfect, but we are all worthy, we are all enough: we all deserve to be loved, not just by others, but by ourselves too.” –**Sarah Hogle, author of *Twice Shy and You Deserve Each Other***

"*Lease on Love* was a delight on every level. Ballard delivers a soft, sweet story with enough shadows to make the happily ever after feel that much more earned. Jack and Sadie together are real in the best ways and the cast of characters shows the unabiding love of friends and found family. This is a beautiful love story about finding something precious that seems out of reach. *Lease on Love* is one of my new favorite romance novels!" –**Denise Williams, author of *How to Fail at Flirting***

"*Lease On Love* is a crackling, compulsively readable debut about forging new career and romantic paths, finding strength in found family, and discovering what it truly means to be "home." I enjoyed every minute of it!" —**Suzanne Park, author of *Loathe At First Sight* and *So We Meet Again***

Falon's debut *Lease on Love, Beach Read* meets *The Flatshare* in this warmly funny and delightfully sharp debut rom-com about a down-on-her-luck young woman who turns an innocent mix-up between a dating app and a roommate app into a new chance at love.

Her second novel, *Just My Type* - to win the job of her dreams, a relationship-prone journalist needs to learn how to stay single in this heartwarming and hilarious new romantic comedy from the beloved author of *Lease on Love*.

"*Just My Type* sparks with enemies-to-lovers wit and dazzles with Los Angeles flair. A fabulous, banterific workplace rom-com, and just our type of romance." --**Emily Wibberley & Austin Siegemund-Broka, authors of *The Roughest Draft***

Falon just closed a new two book, six figure deal with her publisher Putnam! Her debut novel *Lease on Love* sold at auction in a two-book, six figure deal to Putnam and was published February 2022. Her second book *Just My Type* will publish February 7, 2023.
